toast in style, anytime, but with your special people.

In glass

This non-alcoholic rosé sparkling wine is made from Tempranillo and Verdejo grapes. It has a pale salmon pink colour with violet and blue reflections and fine, persistent bubbles. Predominant aromas of red fruit, berries and floral nuances accompanied by stone fruit. Pleasant on the palate with medium acidity and hints of red fruit enhanced by the pleasant and refreshing carbonic sensation.

Food pairing

Salmon and avocado tartar, strawberry and goat cheese salad, prawn and mango ceviche or butterfish sushi.

Moments

To enjoy a meal with friends you haven't seen for a long time, a picnic in the open air or a romantic dinner.
