

SONRÍE

It's for you if...

a 0% alcohol white wine with a slightly sweeter touch.

In glass

It is a white wine without alcohol, very unctuous and with volume in the mouth. Made from Verdejo, Sauvignon, Muscat and Viura grapes, it has aniseed, tropical and herbaceous notes. A measured sweet sensation balances the length of this wine.

Food pairing

With a cheese platter with nuts, curried chicken and rice or in desserts, for example with an apple tart.

Moments

As an aperitif or to accompany starters. At a get-together with friends, at home with a good read.
