

LE COUCHON FARFALLE VALDOBBIADENE D.O.C.G.

Selected Glera grapes grown on the cru hills of Valdobbiadene, combined with the slow buddle-forming process ('Presa Di Spuma') creates a Brut sparkling wine with a brilliant straw yellow color with soft green hues. Fine and delicate fruity bouquet, reminiscent of meadow flowers and a hint of apple and pear. Excellent as an aperitif, it is a perfect partner for fish starters and light meals.
